

**REMARKS**

This paper is filed to replace the response to the Notice to File Corrected Application Papers filed by Applicants on February 6, 2009 which response inadvertently omitted page 2 showing the amendments to the specification required by the Notice. Entry of the response is respectfully requested.

Applicants are in receipt of a Notice To File Corrected Application Papers issued December 30, 2008 and setting a two-month period for response. A Notice of Allowance issued in this application on November 17, 2008.

In the Notice to File Corrected Application Papers the Examiner states,

"Figures 16A and 16B are present in the drawings filed May 16, 2005, but are not described in the Brief Description in the specification filed November 15, 2001 (page 40 lines 7-14)."

A copy of the Notice is enclosed herewith.

Applicants submit herewith an amendment to the Specification, specifically the description of Figure 16 as it appears in the Brief Description of the Drawings on page 40, lines 7-14, to include a separate description of Figures 16A through 16E to satisfy the requirement of the Notice.

Applicants have added a description of Figures 16D and 16E, to this section. Support for this amendment may be found in the specification on page 70, lines 26 and 27.

No new matter is added by the amendments. Entry of the amendments is respectfully requested without withdrawing this application from issue.

Respectfully submitted,

---
